

5th International CILS4EU User Conference

September 26-27, 2024

& Meet the Data Workshop

September 25, 2024

USER CONFERENCE

EXTENDED Submission deadline for abstracts: May 15th, 2024

Venue: Mannheim Centre for European Social Research (MZES) in Mannheim, Germany

The 5th International CILS4EU User Conference will take place in **Mannheim, Germany** on **September 26th & 27th, 2024**. We welcome contributions that use the CILS4EU data or any of the national follow-up studies. Papers can be single country studies or cross-country comparative work, cross-sectional or longitudinal studies.

The aim of the conference is to bring together a constantly growing group of data users working on a variety of topics from different research areas in several countries. Users will have the opportunity to present their ongoing or completed work, receive comments, and share their experiences with the data. It is the best opportunity to get in touch with other CILS4EU data users and the German and Swedish CILS4EU research teams.

Please submit your abstract (maximum 500 words) by **May 15th, 2024**, to cils4eu@mzes.uni-mannheim.de. Submissions will be peer-reviewed, and authors will be notified of the acceptance decision by end of May.

Meet the Data Workshop

Before the conference, on **September 25th, 2024**, from 14:00 to 17:30, a **Meet the Data Workshop** will take place. It introduces researchers to the CILS4EU data and its extensions and is aimed at both prospective users and current users interested in the latest data releases (like, e.g., CILS4NEPS). The workshop can be **attended independently from the conference**. To participate in the workshop, you do not need to submit an abstract, just **sign up** until **August 31st, 2024**, via this website: <https://cils4eu.mzes.uni-mannheim.de/>

There is no participation fee for the conference or the workshop. The conference and workshop are jointly organized by the Institute for Futures Studies (IFFS), Stockholm, the Swedish Institute for Social Research (SOFI), Stockholm University, and the Mannheim Centre for European Social Research (MZES), University of Mannheim. Our website www.cils4.eu is updated continuously to provide information about upcoming events and data releases.

We look forward to seeing you!
