

# 5<sup>th</sup> International CILS4EU User Conference

**December 7-8, 2023**

## CALL FOR ABSTRACTS

**Submission deadline for abstracts: September 30, 2023**

**Conference venue: Mannheim Centre for European Social Research (MZES) in Mannheim, Germany**

The 5<sup>th</sup> International CILS4EU User Conference will take place in **Mannheim, Germany** on **December 7–8, 2023**. We welcome any contributions that make use of the CILS4EU data. Papers can be single country studies or cross-country comparative work, cross-sectional or longitudinal studies, as well as work based on the first three international waves or based on any of the national follow-up studies.

The aim of the conference is to bring together the efforts of a constantly growing group of data-users that work on a vast array of topics from different research areas across several countries. Users will have the opportunity to present their ongoing or completed work, receive comments, share their experiences with the data, and get into contact with other CILS4EU data-users and the research teams conducting the CILS4EU study.

Please submit your abstract (maximum 500 words) by **September 30, 2023** to [cils4eu@mzes.uni-mannheim.de](mailto:cils4eu@mzes.uni-mannheim.de). All proposals will be peer-reviewed, and authors will receive a notification about the acceptance decision by mid-October.

Our website [www.cils4.eu](http://www.cils4.eu) is updated continuously to provide more information about the conference as well as the CILS4EU-survey. If you have any questions, please contact the organizers via [cils4eu@mzes.uni-mannheim.de](mailto:cils4eu@mzes.uni-mannheim.de).

This conference is jointly organized by the Institute for Futures Studies (IFFS), Stockholm, the Swedish Institute for Social Research (SOFI), Stockholm University, and the Mannheim Centre for European Social Research (MZES), University of Mannheim.

We look forward to seeing you!
