

CALL FOR ABSTRACTS

The 4th International CILS4EU User Conference will take place in Stockholm, Sweden from **17 to 18 September**, 2020. We welcome junior and senior researchers working with CILS4EU data. Papers can be on either single country studies or cross-country comparative work, cross-sectional or longitudinal studies, as well as work based on the first three international waves or based on any of the national follow-up studies.

The conference aims to bring together our growing international group of data users that work on a wide range of topics across different research areas. Users will have the opportunity to present their ongoing work, to receive comments, to share their experiences with the data, and to network with other CILS4EU data users as well as the country-specific research groups.

Please submit your abstract (maximum 500 words) by 15th May, 2020 to **cils4eu@iffs.se**. All abstracts will be peer-reviewed, and authors will receive a notification about the acceptance decision by early June.

Venue: Institute for Future Studies, Stockholm, Sweden.

Additional information: There is no conference fee but attendees will need to cover their own travel and accommodation costs. Lunches and a conference dinner will be arranged. Information on local hotels and transport to follow shortly.

Contact: If you have any questions, please contact the local organisation team via **cils4eu@iffs.se**.

We look forward to seeing you in Stockholm!

Stephanie Plenty and Chaïm la Roi
